STEMs For Youth is a non-profit organization that helps youth grow and flourish in the fields of STEM (Science, Technology, Engineering, and Math). We are youth mentoring youth with expert advisors. Students sometimes don't see the value of learning STEM subjects in school. Our mission is to change that perception and infuse them with excitement and the ambition to learn more. We reserve the right to cancel camps if necessary and your money will be refunded.

You can get more information at our website: [StemsForYouth.org](http://StemsForYouth.org) or email us at: [info@STEMsForYouth.org](mailto:info@STEMsForYouth.org)
